CHAPTER 3 - RACING ORGANISATION AND REGULATIONS OF THE COMPETITIONS						
CSLC	GR	10.1	<p>Invitations to an International Canoe Slalom Competition must be sent 2 months before the competition and must contain the following information: The date, place and level of competition (see Rule 2.3) A description of the course The approximate hour and order of the starts of the runs The events Details of the nature of the course and character of the water (difficulty rating) Safety measures The address to which entries should be sent The final date for entries List of challenges, prizes and conditions under which they are awarded In the event of an International Competition invitation for level 4 competitions, the organisers must specify the maximum number of participants per event.</p>	<p>Invitations to an International Canoe Slalom Competition must be sent 2 months before the competition and must contain the following information: The date, place and level of competition (see Rule 2.3) A description of the course The approximate hour and order of the starts of the runs The events Details of the nature of the course and character of the water (difficulty rating) Safety measures The entry procedure The final date for entries The progression system and numbers Prizes and the conditions under which they are awarded In the event of an International Competition invitation for LEVEL 3 and LEVEL 4 competitions, the organisers must specify the maximum number of participants per event per National federation.</p>	IN FAVOUR	
CSLC	GR	11	<p>11.1 A Federation according to the instructions given in the invitation must make each entry to an ICF or International competition. An entry must contain: - Name of the Federation or Club to which the competitors belong - First and last names for each competitor - The events in which the competitors or teams wish to take part - The first and last names of: Team Leader, IJCSL, ICF IJCSL and other personnel 11.1.1 Nominal entries for ICF competitions (Level 1-3) must be made on the ICF online entry system (approved by the CSLC) in accordance with the regulations given by the organising Federation in the invitation. Nominal entries for International competitions (Level 4) must be in writing in accordance with the regulations given by the organising Federation in the invitation. 11.2 The deadline for nominal entries shall be 14 days prior to the first day of the competition.</p>	<p>11 Entries 11.1 Nominal entries for ICF competitions (LEVEL 1 to LEVEL 3): 11.1.1 Entries will only be accepted from from National Federations which are current members of the ICF. 11.1.2 An entry must contain: -Name of the Federation to which the athletes belong -First and last names for each athlete -The events in which the athletes or teams wish to take part -The first and last names of: the Team Leader 11.1.3 Nominal entries must be made on the ICF online entry system. 11.1.4 The deadline for nominal entries shall be 10 days prior to the first day of the competition. 11.1.5 In extraordinary circumstances, an application can be made to the CSLC Chair for the acceptance of late nominal /numerical entries from National Federations. It is the Chair's discretion to accept or decline a late entry. Late entries will incur a 20 euros cost per athlete. 11.1.6 In crew boats the names of the athletes must be in the order that they race in the boat. The first name at the top must be the athlete at the front of the boat 11.2 Nominal entries for International Competitions (LEVEL 4) and Masters competitions: 11.2.1 Entries can be accepted from individuals or federations. 11.2.2 Entries must be in writing or online in accordance with the regulations given by the organising National Federation in the invitation. 11.2.3 An entry must contain: -The nationality of the athlete -First and last names for each athlete -The events in which the athletes or teams wish to take part</p>	IN FAVOUR	

CANOE SLALOM - 2019 COMPETITION RULES PROPOSAL OF NEW WORDING / CHANGE OF EXISTING WORDING						
NF / BoD / Committee	ART. / BYLA W / GP /	ART.	EXISTING WORDING	PROPOSED WORDING	BOARD STAND	CONGRESS / BoD VOTE
CSLC	TR	13	<p>13 - START ORDER AND ICF CANOE SLALOM RANKING SYSTEM</p> <p>13.1 Start Order</p> <p>13.1.1 The organiser is responsible for the start list at ICF and international competitions. In individual events the start order for each event will be based on the current ICF Canoe Slalom Ranking. Competitors will start in the reverse order of their ICF Canoe Slalom Ranking. Competitors without an ICF Canoe Slalom Ranking are placed at the beginning of the start order. Their position on the start order is drawn and is the responsibility of the organiser. The start order of the semi-finals will be the reverse order of the individual event heats results (see Art 14.1). The start order of the individual event final run will be the reverse order of the individual semi-final results.</p> <p>13.1.2 In Team events at ICF Level 2, 3 and International Competitions the start order in Junior, U23 and Senior age groups will be the reverse order of the Nation ranking in that event. The list of the Nation ranking in each event for the forthcoming year is established by the CSLC and published by the ICF no later than the 1st October of the previous year. Nations without a Nation ranking are placed at the beginning of the start order. Their position on the start order is drawn and is the responsibility of the organiser.</p> <p>13.2 ICF Canoe Slalom Ranking System</p> <p>13.2.1 The objective of the ICF Canoe Slalom Ranking is to establish a ranking system for athletes in Canoe Slalom participating in designated ICF Canoe Slalom Ranking Events.</p> <p>13.2.2 ICF Canoe Slalom Ranking is an on-going system of points to rank all the competitors in each event. The formula to calculate the points reflects the following principles:</p> <ul style="list-style-type: none"> - Quality of the starting field of the competition - The importance of the competition - The quality of the result achieved by the competitor <p>13.2.3 The current ICF Canoe Slalom Ranking is calculated from the best 5 results of the designated competitions in the last two years. The list of the designated ICF CSL Ranking events for the forthcoming year is established by the CSLC and published by the ICF no later than the 1st October of the previous year.</p> <p>13.2.4 The organiser must send the results of the competition in the required format to the ICF, within (maximum) 24 hours after the competition has been completed, for the calculation of the ICF Canoe Slalom Ranking.</p>	<p>NEW Structure of the article, create 3 different articles</p> <p>13. ICF CANOE SLALOM RANKING SYSTEM</p> <p>13.1 The objective of the ICF Canoe Slalom Ranking is to establish a ranking system for athletes in Canoe Slalom.</p> <p>13.2 ICF Canoe Slalom Ranking is an on-going system to rank all the athletes in each event.</p> <p>13.3 The formula to calculate the points reflects the following principles:</p> <ul style="list-style-type: none"> - The quality of the starting field in the event - The importance of the competition - The quality of the result achieved by the athlete <p>13.4 The ICF Canoe Slalom Ranking is calculated from the best 5 results of the designated competitions in the last two years.</p> <p>13.5 The list of the designated ICF CSL Ranking competitions for the forthcoming year is established by the CSLC and published by the ICF no later than the 1st October of the year before the competitions (see rules...).</p> <p>13.6 The organiser must send the results of the competition in the required format to the ICF, within 2 days of the competition being completed, for the calculation of the ICF Canoe Slalom Ranking.</p> <p>14. ICF CANOE SLALOM NATION RANKING</p> <p>14.1 The ICF nation ranking is established from the final release of the ICF canoe slalom ranking.</p> <p>14.2 The list of the Nation ranking in each event for the forthcoming year is established by the CSLC and published by the ICF two weeks after the World Championships of the previous year.</p> <p>15. START ORDER</p> <p>15.1 The organiser is responsible for the start list at ICF and international competitions.</p> <p>15.2 In individual events the start order for each event will be based on the current ICF Canoe Slalom Ranking. Athletes will start in the reverse order of their ICF Canoe Slalom Ranking.</p> <p>15.3 Athletes without an ICF Canoe Slalom Ranking are placed at the beginning of the start order. Their position on the start order is drawn and is the responsibility of the organiser.</p> <p>15.4 The start order of the semi-finals will be the reverse order of the individual event heats results (see Art 14.1).</p> <p>15.5 The start order of the individual event final run will be the reverse order of the individual semi-final results.</p> <p>15.6 In Team events at ICF LEVEL 2, 3 and International Competitions the start order will be the reverse order of the Nation ranking in that event for the age group. Nations without a Nation ranking are placed at the beginning of the start order. Their position on the start order is drawn and is the responsibility of the organiser.</p>	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	14.1	<p>An international Canoe Slalom competition consists of 2 runs. The lesser score of the two runs will determine the results of the heats or the results of the competition where no semi-finals or finals phase is conducted. The start order of the semi-final will be the reverse order of the results of the heats. The start order of the final run will be the reverse order of the results of the semi-final run.</p> <p>Organisers can use different competition formats. The competition format can consist of one heats run and one final run (progression numbers must be published by the organiser) or two heats run, semi-final and final. For ICF competitions (Level 1-3) the organiser must hold two heats runs, semi-final and final runs.</p>	<p>14.1 - International Competition (level 4)</p> <p>14.1.1 - An international Canoe Slalom competition consists of a minimum of 1 run.</p> <p>The Organisers can use different competition formats for example :</p> <ul style="list-style-type: none"> - 2 runs : The lesser score of the two runs will determine the results of the competition - One heats run and one final run (progression numbers must be published by the organiser in the invitation) - Two heats run, semi-final and final (progression system must be published by the organiser in the invitation). <p>For ICF competitions (Level 1-3) the organiser must hold two heats runs, semi-final and final runs.</p>	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	14.2	<p>At ICF competitions (Level 1-3) a defined number of Competitors will progress to the semi-final phase based on the results from their first heats run.</p> <p>The 2nd heats run start list will be published minus the 1st heats run qualified Competitors. The Competitors will compete for the remaining semi-final places in their respective event. For Competitors who have two heats runs, the second run score in the heats phase is counted as their heats result.</p> <p>Competitors that qualify for the semi-final phase from their 2nd heats run score will be placed at the beginning of the semi-final start list, followed by the competitors who qualified from their 1st heats run score.</p>	<p>New structure of the article with combination of 14.2, 14.2, 41.2.3 and 41.2.3.</p> <p>14.2 ICF competition – Level 1 to level 3</p> <p>14.2.1 For ICF competitions (Level 1-3) the organiser must hold two heats runs, semi-final and final runs.</p> <p>14.2.2 A defined number of Competitors will progress to the semi-final phase based on the results from their first heats run.</p> <p>14.2.3 The 2nd heats run start list will be published minus the 1st heats run qualified Competitors. The Competitors will compete for the remaining semi-final places in their respective event.</p> <p>14.2.4 For Competitors who have two heats runs, the second run score in the heats phase is counted as their heats result.</p> <p>14.2.5 Competitors that qualify for the semi-final phase from their 2nd heats run score will be placed at the beginning of the semi-final start list, followed by the competitors who qualified from their 1st heats run score.</p> <p>14.2.6 For the semi final and the final, the result will be determined by the result of a single run.</p> <p>14.2.7 The total number of Competitors progressing to the semi-final and final will be posted on the ICF website on or before 1 October the year previous to the calendar year of competitions by the ICF CSLC.</p> <p>14.2.8 The number of Competitors that progress to the semi-final phase after the 1st run of the heats phase will be posted on the ICF website on or before 1 October the year previous to the calendar year of competitions by the ICF CSLC.</p> <p>14.2.9 For the final result of an individual event, first the competitors who make the final are ranked on their results from the final. Then competitors who only make the semi final are ranked using their result from the semi final. Finally, the other competitors are ranked using their result from the heats.</p>	IN FAVOUR	Approved - BoD March 2018

CANOE SLALOM - COMPETITION RULES CHANGES

MARCH 2018 - AFTER ICF BOARD MEETING

CANOE SLALOM - 2019 COMPETITION RULES PROPOSAL OF NEW WORDING / CHANGE OF EXISTING WORDING						
NF / BoD / Committee	ART. / BYLA W / GR /	ART.	EXISTING WORDING	PROPOSED WORDING	BOARD STAND	CONGRESS / BoD VOTE
CSLC	TR	14.3	If a slalom event is not completed due to cancellation, the Jury and Chief Judge can in these exceptional circumstances establish the final results of the competition based on the last completed phase of the event (e.g. heats or semi-finals).	If a slalom event is not completed due to cancellation, the Jury and Chief Judge can in these exceptional circumstances establish the final results of the competition based on the last completed run of the event (e.g. 1st heat run or semi-finals).	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	15	COMPETITION PROGRAMME [TR]	COMPETITION SCHEDULE [TR]	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	15.1	At least 24 hours before the beginning of the competition, a final programme must be available to each participating Federation, giving the names of the participants with their Federation or Club.	At least 24 hours before the beginning of the competition, a final competition schedule must be available to each participating Federation... giving the names of the participants with their Federation or Club.	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	15.1.1	In organising the programme, the following principles should be followed: The individual events including their respective semi-final/ final should be held as a unit preferably before, but may be held after, the team events. Consideration should be given to the schedule to allow Competitors to compete in multiple events. In special circumstances, the runs of the heats maybe held on different days. Modifications may not be made unless the majority of the Team Leaders give their approval.	In organising the competition schedule the following principles should be followed: The individual events including their respective semi-final/ final should be held as a unit preferably before, but may be held after, the team events. Consideration should be given to the schedule to allow Competitors to compete in multiple events. In special circumstances, the runs of the heats maybe held on different days. Modifications may not be made unless the majority of the Team Leaders give their approval.	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	NEW		Modifications to the competition schedule after the team leaders meeting are approved by the Jury.	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	NEW		CANOE SLALOM EQUIPMENT The ICF will conduct homologation testing for canoe Slalom equipment based on commercially available products. These include but are not restricted to timing and scoring, moveable obstacles, gates, poles and hanging system.	IN FAVOUR	Approved - BoD March 2018
RUS	TR	19.2.1	A buoyancy jacket must comply with the current industry standard that is, ISO 12402-5 (Level 50) or any national standard that meets the same requirements and be ICF registered by 1 January in order to be authorised for use in Olympic Games and/or ICF level 1, 2 & 3 competitions in that year. At a competition the buoyancy jacket's uplift will be tested using a 6.12 Kg calibrated stainless steel weight or its equivalent in other metals. The buoyancy jacket manufacturer markings and identification must comply with the ISO standard (or equivalent national standard) to allow the control of equipment by ICF Officials. This applies to all sizes of buoyancy jacket regardless of body weight. Testing process at ICF competitions: 1. The buoyancy jacket must be on the ICF equipment register. 2. The buoyancy jacket must not be modified in any way. 3. The buoyancy jacket must be ISO 12402-5 (Level 50) (or equivalent national standard) approved and carry the appropriate labeling. 4. The buoyancy jacket must float the 6.12kg calibrated stainless steel weight.	A buoyancy jacket must comply with the current industry standard that is, ISO 12402-5 (Level 50) or any national standard that meets the same requirements and be ICF registered by 1 January in order to be authorised for use in Olympic Games and/or ICF level 1, 2 & 3 competitions in that year. At a competition the buoyancy jacket's uplift will be tested using a 6.12 Kg calibrated stainless steel weight or its equivalent in other metals. The buoyancy jacket manufacturer markings and identification must comply with the ISO standard (or equivalent national standard) to allow the control of equipment by ICF Officials. On the side of the panel opposite the direction of correct negotiation, a diagonal red line is-painted from bottom left to top right.	NOT IN FAVOUR	Not Approved - BoD March 2018
SLO	TR	28.3	The gate line, in all circumstances is defined as the line between the outside edge of the bottom of the two poles. The gate line is defined as the line between the outside edge of the bottom of the pole projected vertically to the river bed.	The gate line in all circumstances is defined as the surface which is bounded by the verticle projections of outside edges of the poles, by the river bed and by the outside lines of the poles. It is understood that a competitor breaks the surface that is defined by the gate line.	NOT IN FAVOUR	Not Approved - BoD March 2018
CSLC	TR	28.3	The gate line, in all circumstances is defined as the line between the outside edge of the bottom of the two poles. The gate line is defined as the line between the outside edge of the bottom of the pole projected vertically to the river bed.	The gate line, in all circumstances is defined as the line between the outside edge of the bottom of the two poles, The gate-line is defined as the line between the outside edge of the bottom of the pole projected from the end of the poles, vertically to the river bed.	IN FAVOUR	Approved - BoD March 2018
SLO	TR	29.4.3	The head of the competitor (in C2 one, or both competitors) breaks the gate line upside down. (For definition of upside down see Rule 32.1) unless correctly renegotiated before any subsequent gate is negotiated.	Any part of the competitor (in C2 one or both competitors) or boat or equipment breaks the gate line upside down (For definition of upside down see Rule 32.1) unless correctly renegotiated before any subsequent gate is negotiated.	NOT IN FAVOUR	Not Approved - BoD March 2018
SLO	TR	29.8	At all times, the benefit of any doubt must be given to the competitor.	Final decision is reached by the Chief Judge based on all decisions of gate judges and with help of video judges. In case of an indecisive decision the decision (penalty) of the judge who is in the best position for the certain gate counts three times in comparison to the decision of the other judges judge the particular gate. Only in the case of indecisive decision and if it is not possible to determine the judge with the best position the benefit of the doubt be given to the competitor.	NOT IN FAVOUR	Not Approved - BoD March 2018
SLO	TR	NEW	NEW	Chief Judge must publish the final result of competitor within 5 Minutes after the competitor crosses the finish line. In case the competitor's rune is still in the process of video analysis this must be published in a visible place.	NOT IN FAVOUR	Not Approved - BoD March 2018
CSLC	TR	NEW	NEW	In the Semifinal or Final phase of a competition, an athlete who receives a DNS will be ranked and will receive ICF ranking points from their previous phase completed.	IN FAVOUR	Approved - BoD March 2018
CSLC	TR	NEW	NEW	In the Semifinal or Final phase of a competition, where competitors receive a DNF, DSQ-R or DNS, they are listed and ranked in the following order DNF, DSQ-R then DNS. In the case that two competitors have the same code they will be ranked by their results in the previous phase.	IN FAVOUR	Approved - BoD March 2018

CANOE SLALOM - 2019 COMPETITION RULES PROPOSAL OF NEW WORDING / CHANGE OF EXISTING WORDING							
NF / BoD / Committee	ART. / BYLA W / GR	ART.	EXISTING WORDING	PROPOSED WORDING	BOARD STAND	CONGRESS / BoD VOTE	
CSLC	TR	36	<p>36.1 A protest against an athlete to compete in a race shall be advised to a member of the Jury not later than one hour before the start of the race. A protest made later, within 30 days from the date when the race in question was held, is only permitted if the officials of the Federation making the protest can prove that the facts on which the protest is based came to their knowledge later than one hour before the start of the race.</p> <p>36.2.1 For judging and timing matters a Team Leader may make one (1) enquiry per boat, per event, per competition In level 1 and 2 competitions, enquiries will only be accepted during the heats and semifinal phase of the competition with no fee. The Chief Judge will review all the available information for the processing of the enquiry. Following the investigation of the enquiry the decision of the Chief Judge becomes a matter of fact and therefore cannot be protested further. An enquiry is considered only when made by a Federation still competing in that phase of the competition and submitted within 5 minutes of the posting of the competitor's checklist. In the case when an enquiry results in a changed result, the Federation making the enquiry will not lose their one (1) enquiry. When an enquiry leads to a changed result all affected Teams must be informed.</p> <p>36.2.2 A Federation may enquire on another Federation one (1) time during the entire competition. An enquiry is considered only when made by a Federation still competing in that phase of the competition and submitted within 5 minutes of the posting of the competitor's checklist. In the case when an enquiry results in a changed result, the Federation making the enquiry will not lose their one (1) enquiry. When an enquiry leads to a changed result all affected Teams must be informed.</p> <p>36.2.3 A Team Leader may protest when there is obvious irregularity in the conduct of the competition, e.g. changing water level, object in the water, gate position change, overtaking, bad weather conditions. A protest is considered only when an intention of protest is submitted within 5 minutes of the unofficial results of the event being posted. The Team Leader advises the Enquiry Desk of their intention to file a protest.</p> <p>36.2.4 The Team Leader must then submit the protest in writing using the appropriate form. It must be submitted no more than 20 minutes after the unofficial results are posted and signed by the Chief Judge. The Chief Judge or Enquiry Desk will accept a protest from a Team Leader upon receipt of a deposit of 75 Euros or the equivalent in the currency of the country organising the competition. The deposit is returned if the protest is upheld. If the protest is not upheld, or the Team Leader withdraws the protest, the deposit is forfeited to the Organising Committee of the competition.</p> <p>36.3 The Chief Judge evaluates the legitimacy of any protest. He/she may consult with the Judges involved and at their discretion, view any official television of video footage. The Chief Judge transmits their decision in writing to all directly affected including the Team Leader.</p>	<p>NEW STRUCTURE OF THE ARTICLE - 1 article for Enquiry and 1 article for Protest</p> <p>XX - ENQUIRY XX.1 In individual events for judging and timing matters a Team Leader may make one (1) enquiry per boat, per event, per competition in level 1 and 2 competitions, enquiries will only be accepted during the heats and semifinal phase. 39.2 In team events, one (1) enquiry per team will be allowed. 39.3 An enquiry attracts no fee. 39.4 The Chief Judge will review all the available information for the processing of the enquiry. Following the investigation of the enquiry the decision of the Chief Judge becomes a matter of fact and cannot be protested further. 39.5 An enquiry is considered only when made by a Federation still competing in that phase of the competition and submitted within 5 minutes of the posting of the athlete's checklist. 39.6 In the case when an enquiry results in a changed result, the Federation making the enquiry will not lose their one (1) enquiry. When an enquiry leads to a changed result all affected Teams must be informed. 39.7 A Federation may enquire on another Federation one (1) time during the entire competition. 39.8 An enquiry is considered only when made by a Federation still competing in that phase of the competition and submitted within 5 minutes of the posting of the athlete's checklist. In the case when an enquiry from a Federation on another Federation results in a changed result, the Federation making the enquiry will not lose their one (1) enquiry. When an enquiry leads to a changed result all affected Teams must be informed.</p> <p>XX - PROTEST XX.1 A protest against an athlete to compete in a race shall be advised to a member of the Chief Judge not later than one hour before the start of the race. A protest made later must conform to article XX (appeal to the ICF Board of Directors), within 30 days from the date when the race in question was held, is only permitted if the officials of the Federation making the protest can prove that the facts on which the protest is based came to their knowledge later than one hour before the start of the race. XX.2 A Team Leader may protest when there is obvious irregularity in the conduct of the competition, e.g. changing water level, object in the water, gate position change, overtaking, bad weather conditions. XX.3 A protest is considered only when an intention of protest is submitted within 5 minutes of the unofficial results of the event being posted. XX.4 The Team Leader advises the Enquiry Desk of their intention to file a protest. XX.5 The Team Leader must then submit the protest in writing using the appropriate form. It must be submitted no more than 20 minutes after the unofficial results are posted and signed by the Chief Judge. XX.6 The Chief Judge or Enquiry Desk will accept a protest from a Team Leader upon receipt of a deposit of 75 Euros or the equivalent in the currency of the country organising the competition. The deposit is returned if the protest is upheld. If the protest is not upheld, or the Team Leader withdraws the protest, the deposit is forfeited to the Organising Committee of the competition. XX.7 The Chief Judge evaluates the legitimacy of any protest. He/she may consult with the Judges involved and at their discretion, view any official television of video footage. The Chief Judge transmits their decision in writing to all directly affected including the Team Leader.</p>	IN FAVOUR	Approved - BoD March 2018	
CSLC	TR	36.2.1	<p>For judging and timing matters a Team Leader may make one (1) enquiry per boat, per event, per competition In level 1 and 2 competitions, enquiries will only be accepted during the heats and semifinal phase of the competition with no fee. The Chief Judge will review all the available information for the processing of the enquiry. Following the investigation of the enquiry the decision of the Chief Judge becomes a matter of fact and therefore cannot be protested further.
